

# CALL FOR SPEAKER PROPOSALS

## GREEN & GROWIN' 25

January 13-15, 2025 · Greensboro, NC

NCNLA is looking for dynamic speakers who will present quality information, education and business tools to the nursery and landscape industry at the **NCNLA's Green & Growin' 2025** education conference.

NCNLA has created a Conference Committee charged with organizing a well-rounded slate of speakers and topics. To assist the committee in organizing the conference, NCNLA has implemented a call for proposals moving forward. If interested in speaking in 2025, please complete the form below in its entirety and return to [education@ncnla.com](mailto:education@ncnla.com) no later than **May 1, 2024**.
